Operating expenditure has been adjusted upwards by 5 percent or 74.9 million for the 2018/19 financial year in comparison to the original budget. For the two outer years, operational expenditure will increase by 4 and 6 percent respectively. The column for MSCOA reflects the reclassification of expenditure items in line with MSCOA requirements. It is imperative to note the MSCOA classification does not increase or decrease the budget it is simple a regrouping of items for reporting purposes.

The analysis as per line items is explained as follows:

Personnel Expenditure:

Employee costs were adjusted upwards by a net of R42.7 million (R13.7 million MSCOA classification and R29 million upward adjustment) constituting 6 percent of the original budget. This is mainly due to the implementation of fixed overtime allowance of 30 percent for the Water services and Disaster employees. The Pension fund, Travel allowance and cellphone allowance have also increased due to absorption of water services contract workers.

Remuneration to councilors was adjusted downwards by a net of R6.4 million (R3.6 MSCOA classification and R2.8 million adjustment based on current estimates for the remaining period of the year).

Other Materials

This item used to include "Repairs and Maintenance" however due to MSCOA classification requirements repairs and maintenance budget was re-classified to "Contracted Services". In terms of MSCOA requirements this item is for "Inventory Consumed" therefore inventory consumed amounting to R21.2 million was moved from "Other Expenditure" to "Other Materials". The net adjustment in this item was minus R41.5 being R34.3 million for MSCOA re-classifications and R7.2 million re-allocated to water carting and "Personnel Expenditure".

Contracted Services

In the original budget this item only included Security and Consulting fees however in line with MSCOA classification "Contracted services" also include Repairs and Maintenance as well as other sub-items like catering, Stage and sound, transportation costs regardless of the programmme in which the sub-item is liked. Other than the Repairs and Maintenance, budget for these items was previously included under "Other Expenditure". The increase of R206.3 million in "Contracted Services" is due to R185.5 million for MSCOA re-classifications and R20.8 other contracted services mainly Water carting and VIP Sludge sucking.

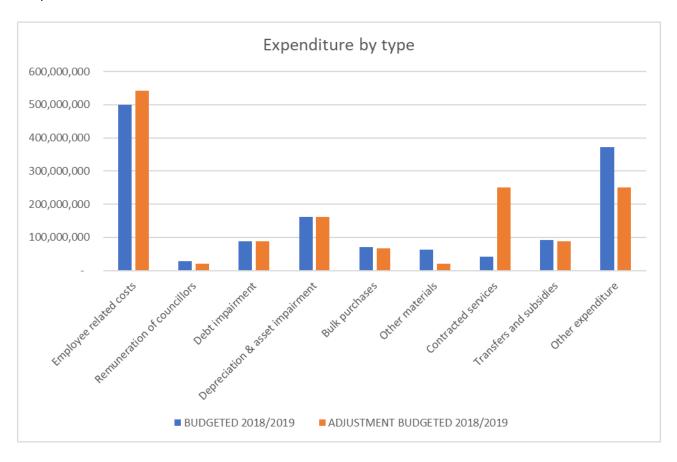

Grants and Subsidies paid

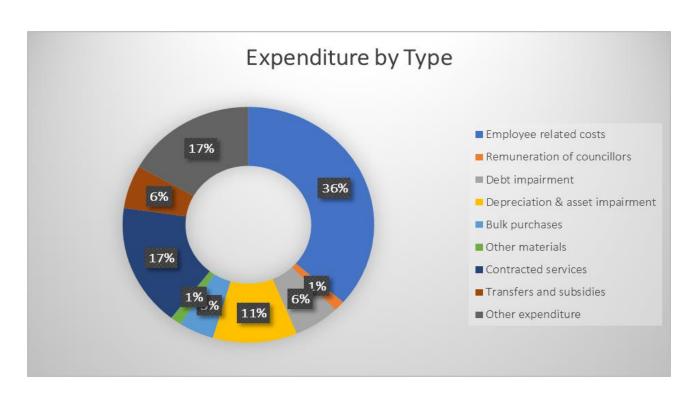

The decrease of R3.5 million in grants and subsidies is mainly due to upward adjustment of R1.6 million and a decrease of R5.2 million due to MSCOA re-allocations.

Other Expenditure

Other expenditure decreased by a net of R119.7 million being a downward adjustment of R156.7million relating to MSCOA re-classification and upward adjustment of R37 million mainly due to increase in subsistence and travelling, Telephone costs (Vodacom contract) and Plant hire.
