ADDENDUM NO. 2

SCOPE OF WORK

Provision of water carting services for OR Tambo District municipality in its area of jurisdiction. The services will be rendered for 36 months in an as and when required basis. Services providers will be instructed via an official order when required to undertake the provisioning of water carting services. Eight (8) water trucks with a minimum of 10 000litres of capacity will be required for each local municipality jurisdiction.

Bidders please note that:

The number of trucks required is NOT limited to eight per Local Municipality. The panel will be open to all qualifying bidders.
